### DESCRIPTION:

The space is the epicentre of a creative agency.

A place, located in Milan in the Maroncelli/Brera area, which is both the agency's headquarters and a Gallery hosting temporary projects related to design and applied arts. An eclectic space, capable of transforming itself to embrace changing curatorial needs and host the creative community.

One of the added values of the space is that it is managed by a creative agency that takes care of the creative direction of brands and projects in the fields of furniture, fashion and interior design.

The agency can therefore also be involved in concept, set-up, production, graphic design and communication if required.
